STAFF FINANCE
LITERACY TRAINING & EMPOWERMENT PROGRAM

Wendie ELIZABETH WAITHAKA
Money Coach / Investments Advisor

BENEFITS
Staff financial literacy empowerment is of great benefit to the employer as well, it is a low cost high impact benefit in the following ways:

- Staff motivation and retention
- Financial security that improves staff confidence levels and hence productivity
- Reduced staff stress levels
- General personal finance wellness
- Reduced financial burden to the employer as the staff are more self-sufficient and the plans come with many other benefits financially and otherwise
- Tax relief benefits for both the employer and the employee
- Access to continuous financial literacy education for personal growth and personal development
- Improved employer bottom line
